Dear Mrs Krickett,

Thank you for your time doing drumming for us. I had so much fun in drum circle that every time I leave I'm always in a happy mood. Now I'm bummed out because today is the last day you'll be doing drum circle so that got me sad. Although I did learn how to work as a team and to slow down stop and think whenever I'm mad or doing something wrong. Now you got me obsessed with drumming but that's okay. Since I ran out of battleres (I have no more ideas) I'm closing up my letter but you were a great drum teacher, and will be missed by all.

Sincerely,

Nick ☺

THANK
YOU

Mrs. Krickett!

you will be missed
by all!
